DUTCH DESIGN

EXPERIENCE MOMENTS OF WARMTH AND ATMOSPHERE

BonFeu stands for a recognizable and unique design and high quality.

We always strive to develop fireplaces that are comfortable to use and are suitable for delicious outdoor cooking. Creative and contemporary designs that anticipate current trends, but always with a certain robustness

that guarantees a long life. Because of these core values,

BonFeu has developed into a leading brand in the world

of fireplaces, firepits and firebowls.

BONSOLO

The BonSolo is one of our smallest fireplaces, but a real eye-catcher. It is equipped with a rotating grill and has a cut-out logo on the front. This logo gives a great effect during fire. The BonSolo has extendable legs which makes it easy to stabilise.

COOKING ACCESSORIES BONFEU FIREPLACES

Most of the BonFeu fireplaces and firepits are equipped with extras like a grill grid or a possibility for a wok. Besides that, we created the BonFeu Plancha for almost all these fireplaces and firepits. The Plancha is made out of 6 mm thick steel and is created for grilling the most delicious types of food.

There are three sizes available; one suitable for the BonGiano's, BonTino and the BonCarré (Ø 40 cm), one for the BonVes 34 (Ø 45 cm) and one for the BonVes 45 (Ø 55 cm).

Very easy to install, user-friendly and a perfect working height to barbecue.

THE BONBRIDGE

COOKING ACCESSORIES FIREBOWLS

The BonFeu fire bridge is a great accessory for outdoor cooking. It is the perfect addition to our fire bowls. This BonFeu fire bridge offers multiple ways to cook above your fire bowl. The fire bridge comes with various hooks and can therefore be used for different heights. For example, you can hang a pan of soup on one of the various hooks or grill the tastiest dishes on the stainless steel grill. The stainless steel grill is optional.

COOKING ACCESSORIES FIREBOWLS AND BONBIZA

The BonFeu rotisserie set is an ideal, stainless steel construction for preparing large pieces of meat or poultry. The set consists of two uprights that fit the Plancha 60, 80, and 100. Between these two uprights, a stainless steel intermediate tube is stretched and fixed so that the uprights stand firmly.

To prepare various large pieces of meat, a set of large and a set of small clamps are included.

The S hook can be used for hanging a cooking pot above the fire

Easy to adjust for different sizes of planchas.

The sturdy skewer has a heat-resistant wooden handle.
